Brain (Rolling Thunder Motorcycle Club Book 2) By Candace Blevins

Book two of the Rolling Thunder Motorcycle Club.

Someone has hacked past Brain's firewalls and sold the MC's information. Brain and Bash are on a mission to catch the hacker, find out who hired him, and then make him pay.

Until Brain discovers the hacker is a woman, and just as smart as him. She's so clever, he chases her a full week before he finally catches her.

She's the enemy, and yet his wolf wants to protect her from Bash. Worse, his wolf is beginning to decide he wants to claim her.

This isn't going to be pretty.
