I never thought I would make it here: college. I'm finally free of stalkers. I am free to live a normal, happy life. Going to parties and making friends. The best part is, I'm finally safe. Or so I thought. My world comes crashing down around me when I start receiving mysterious gifts. Somebody is out for revenge and I will figure out who. I'm not the same girl I was last year. I refuse to be a victim. Welcome to my college life. The College Life is book 1 in Kihanna in College.
