The Social Life of Small Urban Spaces By William H. Whyte

In 1980, William H. Whyte published the findings from his revolutionary Street Life Project in *The Social Life of Small Urban Spaces*. Both the book and the accompanying film were instantly labeled classics, and launched a mini-revolution in the planning and study of public spaces. They have since become standard texts, and appear on syllabi and reading lists in urban planning, sociology, environmental design, and architecture departments around the world.

Project for Public Spaces, which grew out of Holly's Street Life Project and continues his work around the world, has acquired the reprint rights to *Social Life*, with the intent of making it available to the widest possible audience and ensuring that the Whyte family receive their fair share of Holly's legacy.

Editorial Review

Users Review

From reader reviews:

Mark Giordano:

Book will be written, printed, or descriptive for everything. You can realize everything you want by a book. Book has a different type. As it is known to us that book is important issue to bring us around the world. Alongside that you can your reading ability was fluently. A book The Social Life of Small Urban Spaces will make you to become smarter. You can feel much more confidence if you can know about everything. But some of you think which open or reading a new book make you bored. It is far from make you fun. Why they might be thought like that? Have you in search of best book or ideal book with you?

Ronnie Hamilton:

Reading can called thoughts hangout, why? Because when you find yourself reading a book particularly book entitled The Social Life of Small Urban Spaces your head will drift away trough every dimension, wandering in each aspect that maybe not known for but surely can be your mind friends. Imaging every single word written in a book then become one web form conclusion and explanation that will maybe you never get previous to. The The Social Life of Small Urban Spaces giving you another experience more than blown away the mind but also giving you useful data for your better life in this particular era. So now let us explain to you the relaxing pattern at this point is your body and mind are going to be pleased when you are finished reading it, like winning a sport. Do you want to try this extraordinary wasting spare time activity?

Candice Foushee:

This The Social Life of Small Urban Spaces is great guide for you because the content which can be full of information for you who else always deal with world and still have to make decision every minute. This kind of book reveal it details accurately using great plan word or we can declare no rambling sentences included. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but difficult core information with beautiful delivering sentences. Having The Social Life of Small Urban Spaces in your hand like finding the world in your arm, facts in it is not ridiculous one particular. We can say that no guide that offer you world inside ten or fifteen small right but this guide already do that. So , this can be good reading book. Hey Mr. and Mrs. stressful do you still doubt that will?

Molly Wilson:

In this era globalization it is important to someone to acquire information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information simpler

to share. You can find a lot of personal references to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The book that recommended to you is The Social Life of Small Urban Spaces this publication consist a lot of the information with the condition of this world now. This kind of book was represented how can the world has grown up. The language styles that writer require to explain it is easy to understand. The writer made some research when he makes this book. That is why this book ideal all of you.
