## Hearts, Heads, and Hands: A Manual for Teaching Others to Teach Others

By M. David Sills

*Hearts, Heads, and Hands* is the manifestation of a training method that missiologist, professor, and missions agency president, **Dr. David Sills**, has developed on the basis of decades of missions experience around the world. Tried, tested, and proven, *Heads, Hearts, and Hands* will equip those training pastors with the foundational information they must communicate to those God is calling to serve Him. The content is built around the method Dr. Sills developed to equip pastors with a spiritual foundation (their “heart”), a biblical foundation (their “head”), and a methodological foundation (their “hands”), ensuring that they know how to rightly divide and teach God’s Word, understand the need to model the spiritual characteristics of a pastor, and have the practical tools necessary to lead and administer a local church.
