### Editorial Review

From School Library Journal

Kindergarten-Grade 5—These 13 tales first appeared in *Story Bag: A Collection of Korean Folk Tales* (Tuttle, 1955; o.p.) and have been newly illustrated. Though no source notes are included, an introduction by the author speaks to the authenticity of the selections. The collection includes elements shared by many cultures, such as a flood story, and others with a unique sensibility. A variety of animals appear, including tigers, both good and bad, and snakes, depicted as dragons. The delicate watercolor illustrations make the stories accessible to children, and the square format and the calligraphic quality of the titles contribute to the overall sense of design. Appropriately, the opening tale speaks to the importance of sharing stories, and this collection succeeds in making these little-known offerings accessible to a new audience.—*Robin L. Gr. 3-6, younger for reading aloud. This collection of 13 Korean folktales was originally published in 1955 as *The Story Bag*. Kyoung-Sim's new watercolor illustrations, filled with animals, demons, and resourceful folk, make this edition much more attractive, and the short, straightforward retellings are well suited for independent reading as well as for reading aloud. The handsome anthology will enrich multicultural studies and expand folklore collections. *Linda Perkins*
