As a new U.S. immigrant, Permanent Resident (green card holder), or as an American citizen...could you pass the new U.S. citizenship test?

- "Who was Susan B. Anthony?"
- "What is the promise you make when you become a U.S. citizen?"
- "What is one right reserved for the U.S. states?"
- "What do we call the first ten amendments to the Constitution?"

These are just 4 of the 100 questions that the United States government wants its citizens to know. But what makes this book stand out from other study guides, is that every question also has a USCIS "mini-lesson" with it, short paragraphs that explain each answer and why the information is so important for Americans to know.

It will also be helpful for anyone who is studying civics for the GED.
