#### About the Author

#### Meet The Pitbulls!

*Mercedes I love Cameron. And I love everything about the drug game. I don't even have a problem with my son Lil C being put on when he's ready. I'm that down chick men dream about. But if pushed, I have an evil streak too. Believe it.*

*Kenyetta I'm easy going. You know, the kinda girl who doesn't like a whole lot of drama. But I'm also loyal. To a fault. But when needed, I also know how to flip the script. As long as Dyson's loyal to me I'm care free. But if not, well...that's another story.*

*Yvette I run Emerald City! These niggas better respect me like they respect my man Thick! I ain't got no problem bustin my gun if I have to. But at the end of the night, I'm still a woman. Who needs to be loved. But sometimes I think he forgets.*

*Carissa I'm the cute one. The one they wouldn't expect to break bad. Sometimes I think my beauty's my curse. At the same time, it's what drew Lavelle to me. I'm still down for my girls, no matter what. I just hope I don't have to choose between them and my man. Pray for me.*

#### Meet The Emerald City Squad

Cameron I just wanna make this papa, stay on my grind and take care of my family. I just hate when Mercedes keeps pushin me about movin her out of Emerald City. Hell she got everything a hustler's wife could dream of. So what's the problem?!

Dyson I'm not feelin the exclusive thing. I mean, I'll defend what's mine, but sometimes I want to be set free. You know, to do my own thing. So if asked to choose the money or my woman for me it'll be a toss up. We'll see.

Thick Sometimes my squad is too soft! I hate that they trip off of what their women say. We have an

operation to run. If I m asked to choose between the paper on Yvette my decision is made. I can live without a woman, but I can t live without that old mighty dollar.

Lavelle I m not a sucka for love. I just care about my girl. I hate that s is all or nothin with my crew. I guess I m ridin stuff out and trying to believe our motto. The Emerald City Squad For Life.
