## Samyama - Cultivating Stillness in Action, Siddhis and Miracles (Ayp Enlightenment) By Yogani

"Samyama - Stillness in Action, Siddhis and Miracles" covers a powerful yoga practice that has been shrouded in mystery for centuries. Yet, it is as close to us as our most immediate hopes and dreams, for it is the principles of Samyama that are operating behind everything good that is happening in our life. The key methods of Samyama are covered here, simplified to enable anyone to engage in daily practice leading to profound results. Our deepest desires can be enlivened by systematically letting go into our inner silence. Whatever we surrender will come back to us a thousand-fold, purified in a divine outpouring. This is "Stillness in Action."

Yogani is the author of ground-breaking books on highly effective spiritual practices, including: Advanced Yoga Practices - Easy Lessons for Ecstatic Living (two comprehensive user-friendly textbooks), and The Secrets of Wilder, a powerful spiritual novel.

The "AYP Enlightenment Series" makes these profound practices available for the first time in a series of concise instruction books. "Samyama" is the fifth book in the series, preceded by "Asanas, Mudras and Bandhas," "Tantra," "Spinal Breathing Pranayama," and "Deep Meditation."

### **Editorial Review**

#### About the Author

Yogani is the author of the Advanced Yoga Practices (AYP) system, including more than a dozen Instructional Titles available in Paperback, Kindle eBook and AudioBook editions, covering all aspects of Full-Scope Yoga Practice. Since 1970, he has crossed the lines between many traditions, developing an effective integration of methods including Deep Meditation, Spinal Breathing Pranayama, Hatha, Kundalini, Tantra, Self-Inquiry, and more. It is a flexible, scientific approach rather than a rigid, arbitrary one, and open to public scrutiny, as all spiritual knowledge should be nowadays. He has no desire for guru status - only to have the joy of making a small contribution to helping the disciplines of spiritual practice become open to everyone. He wishes to remain anonymous, preserving a quiet life in practices. AYP is not about the author. It is about all who long for knowledge. ?
