Secrets of a Side Bitch By Jessica N. Watkins

He's beautiful with gray eyes, tall, chocolate ... and he's worth fighting for. Meet Omari – a gorgeous, hard working, twenty-eight year old man from the Southside of Chicago. No matter how hard he works at his job at UPS, it is never enough to take care of himself and his long-term girlfriend. After continuous pressure from his older cousin, Ching, Omari finally traded in busting his ass for working under Ching hustling three major blocks on the Westside. All is good as Omari juggles work and the drug game. That is, until Ching involves him in the murder of, who ends up being, the governor's nephew. As he dodges homicide detectives, Omari is also trying to dodge getting caught between two loves. He's been committed to Aeysha for seven years, but is falling each day for Simone, an older more established woman who is at his every beck and call. After years of playing the side chick, Simone finally finds love that she thinks is all her own. Just as she settles into loving Omari, she finds out about Aeysha and her desperate mind begins to plot on how to finally win her man. Simone's best friend, Tammy, thinks Simone is crazy as she herself is running from an obsessed ex-boyfriend who is persistent in trying to kill her. Tammy lives in hiding for months as she asks herself this burning question; how can a man love a woman with the same hands that he is willing to kill her with? As the murder investigation leads to arrests, the walls come down on these lovers. Murder, sex, and indictments lead to unforeseen tragedy and unexpected love.

Jessica N. Watkins was born April 1st in Chicago, Illinois. She obtained a Bachelors of Arts with Focus in Psychology from DePaul University and Masters of Applied Professional Studies with focus in Business Administration from the like institution. Working in Hospital Administration for the majority of her career, Watkins has also been an author of fiction literature since the young age of nine. Eventually she used writing as an outlet during her freshmen year of high school as a single parent: "In the third grade I entered a short story contest with a fiction tale of an apple tree that refused to grow despite the efforts of the darling main character. My writing evolved from apple trees to my seventh and eighth grade classmates paying me to read novels I wrote about kids our age living the lives our parents wouldn't dare let us". At the age of twenty-eight, Watkins' chronicles have matured into steamy, humorous, and realistic tales of women's fiction.
