## Editorial Review

About the Author
Bert Vanstechelman works as an independent SAP Basis Consultant and has approximately ten years of SAP experience. His most recent long-term assignments have been in SAP Basis Consulting roles running all kinds of SAP versions in combination with all possible databases and operating systems supported by SAP. Bert specializes in SAP hardware infrastructures, high availability, SAP installations, release upgrades, BW and SCM from a technical point of view and OS/DB migrations. Bert is a frequent contributor to the SAP Professional Journal and panel expert for SAP release upgrades and OS/DB migrations on SearchSAP.com's "ask the expert" feature.

Mark Mergaerts is Principal Technology Consultant at SAP Belgium and has more than ten years experience with SAP Basis. His consulting activities, mainly with large SAP accounts, concentrate on the key areas of system administration, database management, upgrades and installations, performance and workload analysis, and OS/DB migrations. He also teaches advanced database administration and SAP performance classes to an international audience.
