James Shockley:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just little students that has reading's soul or real their

hobby. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
