Crystal Jake (Eden series Book 2) By Georgia Le Carre

Book # 2 of the bestselling Crystal Jake, Eden series. Scintillating sexy scenes and pulse pounding tension that will keep you turning the pages.
Lily

It wasn't supposed to be like this- I came ready, determined, but nothing could have prepared me for Jake Eden.

Engulfed in his power, his lust and his primal need for me, I've become ever more helpless in his hands. I love the way he touches me, holds me, protects me. I feel alive in ways I cannot explain. I know I am giving my body to a criminal...week after week, but I can't stop.

I'm addicted.

He has no idea.

It's all wrong, but I'll stay with my plan until I figure out a way around the conflict I'm facing...

Jake

I never knew that looks could blindsides a man the way Lily Hart's beauty did me. When our eyes collided that first time, the connection was instant, I knew, that she was like no other. She was something special, uniquely different.

But I've discovered since then that there is a secretive side to her, and now I fear deception stalks her eyes.

I know I must keep my distance, but she keeps persisting that I have her heart, so how can I push her away when all I want to do is tie her down and make her mine?

About the Author

Hi everyone I'm Georgia Le Carre, I write contemporary and adult erotic romance and I am the bestselling author of the Amazon # 1, the billionaire banker series. I live in a little old 19th century romantic cottage, surrounded by the most magical garden, filled with fruit and walnut trees and teeming with wildlife. Sadly for me I love all things chocolate and food and have a voracious appetite for Romance reads, particularly new authors with a fresh voice. When I am not feeding words into Amy, my precious laptop, I can be found lost in a long walk in the woods, particularly on moonlit nights; and often with the man of my dreams Want More Hot Romances?

Users Review

From reader reviews:

Bobby Bagwell:

Why don't make it to be your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite book and reading a publication.
