## Editorial Review

Review

### **EDITORIAL REVIEWS: \*\*\*IF YOU LOVE THE IRON WOLVES, CHECK OUT THE FIRST BOOK IN THE CROSSOVER SERIES, DELTA SALVATION\*\*\***

~**Night Owl Reviews**~ **TOP PICK** Once again Ms. Boon intertwines her series and several characters from her paranormal motorcycle club series make appearances in this book. However, each series is independent from the other so can be read without having read the other. All of the characters are lovable from the hardest, badest SEAL to the sweetest woman. Okay, there aren't any really sweet women but you get the idea. Each character is well thought out. The plot has a few twists that were unexpected. The happy ending comes after an international secret is exposed. This story has everything you could ask for in a romance... This is a perfect summer story or truly an anytime story. Word of warning, it will leave you wanting to know more about this unique group of SEALS.

**GUILTY PLEASURES REVIEW**....As usual, Elle gave us a fun, intriguing, wonderful story to read. There is always a little mystery and a whole lot of love and loving going on. She makes her characters sexy and makes sure that we are always entertained by them and those around them...

**MARIE'S TEMPTING READS**... I ADORE this first book in Elle Boon's newest crossover series. Delta Salvation is full of non-stop action, sexy SEALS, one irresistible leader, and a very lucky heroine. This story is fast-paced with amazing characters and a plot that never seems to get boring...

## About the Author

Elle Boon lives in Middle-Merica as she likes to say...with her husband, two kids, and a black lab who is more like a small pony. She'd never planned to be a writer, but when life threw her a curve, she swerved with it, since she's athletically challenged. She's known for saying "Bless Your Heart" and dropping lots of F-bombs, but she loves where this new journey has taken her.

She writes what she loves to read, and that is romance, whether it's erotic or paranormal, as long as there is a happily ever after. Her biggest hope is that after readers have read one of her stories, they fall in love with her characters as much as she did. She loves creating new worlds and has more stories just waiting to be written. Elle believes in happily ever afters, and can guarantee you will always get one with her stories.
