Forever (Time for Love Book 1) (Volume 1) By Miranda P. Charles

Rebecca Andrews knows she is lucky to be hired as a private nurse for an elderly lady who is going on a one-month trip aboard a luxury cruise ship. But there's one big problem. The client is the grandmother of her ex-boyfriend--the guy she is still in love with, but who doesn't love her back.

Zach Carmichael can't say no to his grandmother's plea to join her on a month-long cruise for her eightieth birthday. But he doesn't expect his sprightly gran to bring two private nurses with her. One of them happens to be the woman who broke his heart--the one he believes lied to him about her feelings.

Aboard a luxury liner, their passion for each other flares again. Is it just a temporary flame brought about by the romance of being on a cruise? How can they give love another chance when they're both afraid to put their hearts back on the line?

Each book in the *Time for Love* series is a strong stand-alone novel that would give you enjoyment on its own. To fully enjoy the series, however, the author recommends reading them in order.

Book 1: Forever (Rebecca Andrews and Zach Carmichael)

Book 2: Finally (Sarah Daley and Jeff Carmichael)

Book 3: Again (Amanda Payne and Connor Reid)

Book 4: Always (Brenna Ward and Ash Payne)

Book 5: At Last (Gemma Aldwyn and Greg Carmichael)

(These books are for adults only. They contain hot sexual content.)

About the Author

Miranda P. Charles is the author of more than a dozen steamy and stirring contemporary romance novels. She prefers to spend her time in front of her laptop, putting into words the love stories that play in her head. Don't get her started with reading a great book, though, because she has the tendency to not put it down until she gets to the last page. She does have a life outside of books. Mostly, that consists of bonding with family and friends or going on romantic trips with her awesome husband (who, thankfully, puts up with her hermit-like daily routine). Oh, yeah, there's also the housework. But she really wishes someone else could do that for her so she could get back to her books! She lives in one of the suburbs in the beautiful city of Sydney, Australia.
