## Global Strategy By Stephen Tallman

This comprehensive volume from Wiley's Global Dimensions of Business series explores the topic of international strategic management at an MBA or Executive Education level. Authored by an accomplished teacher who possesses a strong understanding of the market, this text offers clear frameworks coupled with lively, international case studies.

- Written by an experienced teacher possessing a strong research profile and a clear understanding of the market.
- Emphasizes organizational competences and provides a direct bridge to the strategy frameworks and concepts essential to MBA and Executive Education programs.
- Focuses on capabilities, capability-building and knowledge, and highlights the distinction between input and leveraging in terms of capabilities.
- Reviews additional opportunities for making performance gains in the international environment and the additional complexity involved in managing in a global – rather than domestic – environment.
- All chapters include sections on essential reading, student questions, summaries, case examples, and ‘key terms.’

### Editorial Review

From the Inside Flap

Designed for use by executive MBAs and full-time graduate courses, Global Strategy:

- Highlights the distinction between input and leveraging
- Emphasizes organizational competences and provides a direct bridge to the strategy frameworks and concepts essential of MBA and executive Education programs.
- Reviews additional opportunities for making performance gains in the international environment and the additional complexity involved in managing in a global- rather than domestic-environment
- Includes essential reading, student questions, summaries, case examples, and 'key terms'

From the Back Cover

Business Strategy in the 21st century is global strategy. As culture, politics, employment and other aspects of non-business life become more global, the global strategies of multinational enterprises are of great concern to business, governments, and consumers.

This timely volume provides the basic knowledge needed to understand the forces driving international and global strategies, the character of such strategies, and the actions firms take to survive and prosper in the global economy.

Written by an experienced teacher with a strong research profile and a clear understanding of the market, Global Strategy focuses on organizational capabilities, capability-building and knowledge.

This text is part of the **Global Dimensions of Business series** designed to provide authoritative strategy and international business coverage for advanced and executive students. Books in the series provide focused, topic-based summaries of the key developments in business - ideally designed for use on modular courses.

About the Author

### Users Review

**From reader reviews:**

**Elinor Russell:**

The book Global Strategy can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the best thing like a book Global Strategy? A number of you have a different opinion about e-book. But one aim that book can give many info for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or info that you take for that, you can give for each other; you may share all of these. Book Global Strategy has simple shape however you know: it

has great and large function for you. You can search the enormous world by available and read a book. So it is very wonderful.

**Denise Dennis:**

The ability that you get from Global Strategy may be the more deep you digging the information that hide within the words the more you get considering reading it. It doesn't mean that this book is hard to understand but Global Strategy giving you excitement feeling of reading. The copy writer conveys their point in specific way that can be understood through anyone who read the item because the author of this reserve is well-known enough. That book also makes your own vocabulary increase well. So it is easy to understand then can go along with you, both in printed or e-book style are available. We advise you for having this particular Global Strategy instantly.

**Patricia Stokes:**

This Global Strategy is great reserve for you because the content which can be full of information for you who all always deal with world and get to make decision every minute. This specific book reveal it facts accurately using great manage word or we can state no rambling sentences included. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but tricky core information with attractive delivering sentences. Having Global Strategy in your hand like having the world in your arm, data in it is not ridiculous 1. We can say that no e-book that offer you world within ten or fifteen tiny right but this publication already do that. So , this really is good reading book. Hello Mr. and Mrs. hectic do you still doubt in which?

**Brandon Giles:**

Is it you actually who having spare time and then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This Global Strategy can be the respond to, oh how comes? A fresh book you know. You are consequently out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?
