### Radically Deep Fundamentals of Astrology By Vic DiCara

Planets, signs, and houses... You've never learned about them in such radically sensible, memorable, and useful depth! Vic DiCara reveals the clear and threadbare logic behind why the planets, signs, and houses represent the things they do, bringing the occult mysteries of astrology into rational and systematic clarity. Based on Sanskrit classics explored and realized through careful practice and contemplation, this book erases the boundaries between "Vedic" and "Western" and makes the deep wisdom of the Veda easily digestible to every modern reader. Six years in the making, carefully written and edited, and replete with extremely valuable diagrams, this is the final version of the textbook Vic DiCara has developed to teach his Level One astrology course.
