**Rough Diamonds (The Coveted Saga #3)** By C.M. Owens

The Coveted Saga. Rough Diamonds. Book 3 of 4.

**She's finally immortal, and Tallis is hers. Nothing can stop them, weaken them, or slow them down. Nothing but the twisted world they live in, that is.**

Aria learns that things can happen too fast, even good things. Struggling with being a new immortal, she tries to balance life and reality, two things that don't necessarily work so well in her world. But she isn't as good at separating it as everyone else seems to be.

Magic comes with a heavy price, and the debt seems to only grow. Aria learns that magic also comes with a burden when you are gifted too much. It's seductive to feel the powerful draw, to know you hold lives in the palm of your hand, but is she strong enough to withstand the temptations?

The darkness calls. The paradigm shifts. And nightmares come true.
