Stand By Your Manhood: An Essential Guide for Modern Men By Peter Lloyd

DAILY MAIL BOOK OF THE WEEK

Men must be the worst oppressors in history - we pay the most taxes, get the least support and play longer matches at Wimbledon for no extra money. We're also more likely to be homeless, circumcised, attacked, jailed, drafted, under-educated, short-changed in parenthood and shafted by divorce. Oh, and to top it all, we die sooner. Despite this, feminists still assert we live in a patriarchy and give us a hard time.

Fortunately, Peter Lloyd is here to offer a reality check in this long-overdue lad bible. Part polemic, part toolkit for the modern man, *Stand By Your Manhood* answers all the burning questions facing the brotherhood today, including:

Should we fund the first date?

Is penis size a political issue?

Are we sexist if we enjoy pornography?

Why isn't there a men's minister?

Politically incorrect, fearless and laugh-out-loud funny, this is the deliciously provocative book that gives blokes their balls back.

Editorial Review

Review

'A sophisticated tome for the modern man.' The Mirror 'It is: intelligent, very well-researched including extensive interviews with many female academics and researchers, myth-busting, articulate, witty, upbeat, challenging, surprising, laugh out-loud funny in places, shocking in others, angry, compassionate, respectful of women, optimistic and a really good read.' The Huffington Post '[An] angry, funny, provocative book [that] certainly offers plenty of food for thought. I am stirred by his rallying call for us to become 'suffragents'.' Brian Viner, Daily Mail 'A funny, frank read. I don't think I'll ever look at my manhood in the same way again.' Danny Wallace 'Empowering and humorous... his entire book is a call to arms for men to celebrate, acknowledge, and take pride in themselves as men. [A] standing ovation for men.' A Voice For Men

About the Author

Deftly proving that men can multi-task, Peter Lloyd is a London-based journalist who contributes to The Guardian, the Mail on Sunday, MailOnline and the Daily Telegraph. Originally from Liverpool, he was formerly the staff writer at Madonna's UK PR company, where he salsa danced with Primal Scream's Bobby Gillespie, got drunk with Depeche Mode and bonded with Russell Brand over The Smiths. He also worked as a freelance copywriter for Simon Fuller's 19 in Manhattan, New York. This is his first book (but hopefully not his last).

Users Review

From reader reviews:

Paul Blum:
