Editorial Review

Review

'The Literature Review is a clearly written and easily accessible self-guided introduction packed with detailed examples. It's especially useful for budding researchers unfamiliar with crafting literature reviews that support strong theory development and empirical testing. I recommend it to every first-year doctoral student' -

Michael R. Hyman

Distinguished Achievement Professor, New Mexico State University

About the Author

Diana Ridley is a Senior Lecturer at the TESOL Centre, Sheffield Hallam University, UK where she supervises research students in the fields of English language teaching and academic literacies.

Users Review

From reader reviews:

Leslie Martin:
