Universal Laws Never Before Revealed: Keely's Secrets : Understanding and Using the Science of Sympathetic Vibration By Dale Pond, Nikola Tesla, Edgar Cayce, John Keely

One hundred years ago, scientist/inventor/philosopher John Keely built various devices that were able to overcome gravity, tunnel through rock using a hand-held device, use acoustics to power engines, and create superconductivity by using wires made of gold, silver and platinum. Almost lost, this book compiles ten years of research by the editor/author that explains the technology used. Understandable to the laymen and useful to the most advanced researcher, the physics of sympathetic vibrations is the unification of many different scientific, engineering and philosophical disciplines into a new paradigm. This science demonstrates the commonality that underlies all phenomena vibration! This book will be fascinating to both laymen and the most advanced scientists. Maybe you will be the one to be able to duplicate some of the incredible machines that John Keely developed which were all but lost for a hundred years. This monumental work contains the mathematics and basic principles which can usher in a new awareness as well as new sources of energy.

Editorial Review

From the Author

This book contains a vast collection of material on Keely and his work. In it has been included all the pictures and charts known to exist as of this date. I have also included all that we have been able to decipher of this wonderful new science and philosophy. There will be more discoveries and these will be published at a later date. The discoveries mentioned here demonstrate that Keely's science of Sympathetic Vibratory Physics is a wholistic approach to science and nature and reveals a wonderful order and simplicity. It is hoped readers will find a number of ideas and methods in these pages which they can apply to their current scientific work and research.

From the Back Cover

The physics of sympathetic vibrations is the unification of many different scientific, engineering and philosophical disciplines into a new paradigm. This science demonstrates the commonality that underlies all phenomena-vibration!

This book will be fascinating to both laymen and the most advanced scientists. Maybe you will be the one to be able to duplicate some of the incredible machines that John Keely developed years ago and which were all but lost for a hundred years. This monumental work contains the mathematics and basic principles which can usher in a new awareness as well as new sources of energy.

"The science of the future will be based on Sympathetic Vibrations." - Rudolph Steiner, 1913

"The sympathetic vibratory force discovered by Keely will be quite sufficient to make him the greatest discoverer of this age." - H.P. Blavatsky, The Secret Doctrine, 1888

"if Keely were to die to-morrow, it might be a hundred years before another mind would arise able to complete his work;" - Rev. Albert Plum, 1894

"Having witnessed Keely's experiments in sympathetic vibration, I am satisfied he has made new and important demonstrations of natural forces not explained by known physical laws." - Dr. James M. Wilcox, Ph.D., 1890

"Mr. Keely has demonstrated he has discovered a vibratory force previously unknown to science.. .which, when applied to machinery, must supersede all ordinary appliances." - Prof. Joseph Leidy, Md, 1890 "The fact remains that Mr. Keely is able to demonstrate the existence of a stupendous power which has never yet been satisfactorily accounted for by any old and well recognized force." - Henry Hudson, The Scientific Arena, 1887

About the Author

Dale Pond is truly a renaissance man with a diversified background in chemistry, physics, mechanical engineering, computers, mathematics, acoustics, hydrodynamics, geometry, music, and common law. His vast experience includes technical writing, inventing, lecturing, corporate training, business, manufacturing, publishing and authoring scientific and philosophical journals and books. At the leading edge of new paradigm thinking, he has been able to show that vibration is the principle underlying all things. Vibration is the link between spirit and matter - the magic key for creating new worlds and universes. As an

internationally renowned lecturer, Dale has presented workshops and seminars at the Swiss Association for Free Energy Conference, The International Conference on Science and Consciousness, the International Keely Conferences, Sound and Vibration Conference, International Symposium on New Science, International Forum on New Energy, United States Psychotronics Association Conference, the Alchemy of Sound Conference and many others. Other books by Mr. Pond: Sympathetic Vibratory Physics - A Compendium of Terms and Phrases, Sympathetic Vibratory Physics Certification and Training Course, Nikola Tesla's Earthquake Machine, HyperVibes (a Hypercard research reference library for SVP), History of the American Constitutional or Common Law, The Physics of Love, John Keely's Musical Dynasphere and many others.
