## Unretirement: Summary of the Key Ideas - Original Book by Chris Farrell: How Baby Boomers Are Changing the Way We Think About Work, Community and the Good Life By Evolve

Retirement is a difficult topic and puts pressure on individuals, because they are constantly worried whether they will be able to save enough money to support themselves when they are old. In this book, the author offers an alternative, which is “unretirement”. He argues that it would be better for us to work longer and increase our knowledge and skills through a career change.

Who should read this book:

- People who are close to retirement and worried about their future prospects.
- Anyone interested in ways to start an encore career or change their profession.
- People looking for ways to find a job after the age of 50 and 60.

In this summary:

Chapter 1: Retirement has become almost impossible to achieve

Chapter 2: Start saving early and consider a part-time job

Chapter 3: Most people will be capable of working until 70

Chapter 4: We should value the potential of older workers

Chapter 5: The idea of retirement is still rather new

Chapter 6: Retirement options had to be developed after the Great Depression

Chapter 7: Many people now choose to keep working longer

Chapter 8: Consider a career change and make use of your connections

Chapter 9: Health care and counseling can be alternative career paths

Chapter 10: Unretirement can be enjoyable

Chapter 11: Final Summary
