### What Wives Wish their Husbands Knew about Sex: A Guide for Christian Men By Richard Rupp, Ryan Howes, Stephen Ph. D. Simpson

It's an unfortunate reality that many men grow up in churches that suppress their God-given sexual urges. As a result, many Christian men, single and married, are frustrated with their love lives and their sex lives. The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it. They help men:

- learn what the Bible says about a healthy sex life -discover how to relate to women as men instead of as boys
- address psychological and spiritual issues that interfere with healthy sexuality
- learn specific techniques that create a strong relationship, great foreplay, and passionate sex

Solidly based in Scripture and informed by the experiences of the authors, all respected sex therapists, What Wives Wish Their Husbands Knew about Sex dispels the myths that keep good Christian men from experiencing sex as God meant it to be. Perfect for any man, it is also a great book for counselors and pastors who work with men.

From the Back Cover

FRONT COVER "A straightforward, no holds barred, entertaining manual for Christian men."--Neil Clark Warren, founder and chairman, eHarmony.com  
BACK COVER A candid guide to men's sexuality In the beginning God created man and woman--and sex. But men and women don't always see sex in the same way. This straight-talking guide helps men understand the difference--and helps women appreciate it too. Here are the facts of sexuality as you never heard them growing up--explicit, yet honest and accurate--minus the winks, nudges, and snickers. In great depth and with much candor, the authors explore the biblical, psychological, emotional, and physical aspects of making love. • Gain new insights into your own sexual makeup and the desires of your wife • Discover the most important thing to a woman • Learn how to become a better lover • See why knowing Christ can free a man to experience amazing love and incredible sex with his wife Whether you're married or planning to be someday, this is a must-read. "The authors have reclaimed sex as God's good gift, meant to be lavishly and extravagantly enjoyed by men and women who want the fullness of intimacy that God intended."--Linda M. Wagener, associate dean of the school of psychology, Fuller Seminary "This book breaks the fears and destructive guilt of Christianity into its true design to follow the real principles of sexual love as it was meant to be"--Frank Lawlis, author, *The ADD Answer* and *The IQ Answer* "Combining candor with humor, frankness with sensitivity, and professional knowledge with personal experience, this book offers a delightful overview of what husbands need to know about sex."--Jack Balswick, coauthor of *Authentic Human Sexuality* and *A Model for Marriage* Ryan Howes, Richard Rupp, and Stephen W. Simpson are psychotherapists who specialize in marriage and men's issues.
