**Who Can Ride the Dragon?: An Exploration of the Cultural Roots of Traditional Chinese Medicine** By Zhang Yu Huan, Yu Huan Zhang, Zhang Yu Huan

"The authors have performed a great service by clearing a path into the formidable dense thicket that constitutes Chinese medicine in the West. This text provides...a window of inestimable value into a world of meaning that satisfies a yearning on the part of many, who hunger to know the substrate from which Chinese Medicine emerges", Harriet Beinfield - Author, "Between Heaven and Earth", "A Guide to Chinese Medicine". An excellent book for those studying Traditional Chinese Medicine (TCM), this new text provides an insight into the depth and subtlety of this interesting subject. It delves into the linguistic and cultural wellsprings of China's venerable past, describing all aspects of TCM and making it applicable to Western approaches. It teaches the reader about the characteristics, expressions and concepts of TCM, allowing them to integrate its theories and practice into their own personal approach.
