#### About the Author

Native Californian, Desda Zuckerman has made a life study of the subtle energies surrounding all living things. What began as a personal quest for understanding blossomed into a comprehensive mapping of Human Energy Anatomy and its precise application. This has been distilled into CoreIndividuation™, an intentional healing modality. For the last thirty years, she has quietly taught classes, trained apprentices, and led healing sessions with thousands of clients. At last, these sacred anatomy teachings are publicly revealed to benefit all healers, seekers and students of human potential.
