**Bang Poland** is a travel guide that teaches you how to make love with Polish women while in Poland without having to go to strip clubs or pay for escorts.

### Here's what you'll find inside...

- How long you should plan on staying in Poland to get the best of what it has to offer
- The best resources for studying the Polish language
- A breakdown of the best Polish city to visit for getting your Polish flag (hint: it's not Krakow)
- The type of lodgings and materials you'll need to maximize your chance of getting one-night stands
- How to visit Poland on the cheap

### Most of the book is dedicated to the women. You'll read...

- A detailed description of a Polish girl's body where I address the stereotype of them having gigantic breasts
- The 11 positive qualities of a Polish girl's personality that makes her a top competitor for world's best woman
- A detailed breakdown of the three types of Polish girls
- How many approaches you'll likely have to do in order to make love to a Polish girl
- The type of guys that Polish girls are obsessed with, and how you'll do far better if you can pull off their look
- The one quality that Polish girls desire above all others, and the one that turns them off

### The book teaches you how to pick up girls during the day or night. You'll learn...

- My favorite opener to use on Polish girls
- A detailed breakdown on how to pick up during the day, including opening strategy, conversation tips, pitfalls to avoid, and how to best answer their common questions about your visit

- My method to getting one-night stands in a country where one-night stands aren't common (I describe what type of venue to hit, when to go out, how to approach, how to maintain a conversation, two moves to help escalate the interaction to a kiss, and four surgical routines that release a Polish girl's inner sex demon)
- What to do when a Polish guy inevitably tries to cockblock you
- How to date a Polish girl if you don't get the fast bang
- How you'll be perceived based on your race

**I wrap the book up with stories and logistical information. You'll read...**

- A pathetic description of Polish guy game that should make you feel better about your own
- 5 short stories that offer additional insight and information to Polish culture, including interesting examples of making love with Polish women
- Detailed city guides on Poznan, Gdansk, Sopot, Wroclaw, and Krakow, where I describe the best day and night spots for meeting Polish women

*The 93-page book is organized into five chapters...*
