Cher: Strong Enough By Josiah Howard

Fifty years and 100 million album sales after first appearing on the music scene as one half of pop duo "Sonny and Cher," the Academy Award–winning singer and actress is an authentic American icon. Throughout Cher's astonishing career — which has encompassed televisual triumphs, a string of international hit singles, sell-out tours, an Oscar statuette for *Moonstruck*, and a Las Vegas residency — her personal life has continually made front (and back) page news. In the shadow of her success, Cher has been linked with many high-profile men, married and divorced twice (the second time to rock superstar Gregg Allman), battled with depression, defied network censors, and dealt with the tragedy of Sonny Bono's early death. Including exclusive interviews with Cher and those she has worked with on- and off-stage, *Cher: Strong Enough* documents the ins and outs and ups and downs of a one-name American icon — Cher — at her outrageous best.

Users Review

From reader reviews:

Juan Elam:

Reading a e-book tends to be new life style on this era globalization. With reading you can get a lot of information which will give you benefit in your life. Together with book everyone in this world may share their idea. Books can also inspire a lot of people. Many author can inspire their own reader with their story as well as their experience. Not only the story that share in the publications. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on this planet always try to improve their ability in writing, they also doing some research before they write to their book. One of them is this Cher: Strong Enough.

Ronda Tollison:

The book untitled Cher: Strong Enough contain a lot of information on the idea. The writer explains your girlfriend idea with easy method. The language is very straightforward all the people, so do not necessarily worry, you can easy to read the item. The book was written by famous author. The author brings you in the new age of literary works. It is easy to read this book because you can read more your smart phone, or product, so you can read the book inside anywhere and anytime. If you want to buy the e-book, you can open up their official web-site as well as order it. Have a nice learn.

Linda Meier:

Many people spending their moment by playing outside together with friends, fun activity using family or just watching TV all day every day. You can have new activity to invest your whole day by looking at a book. Ugh, do you think reading a book really can hard because you have to take the book everywhere? It ok you can have the e-book, having everywhere you want in your Mobile phone. Like Cher: Strong Enough which is getting the e-book version. So , try out this book? Let's observe.

Anne Young:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Cher: Strong Enough can make you feel more interested to read.
