Clinical Nurse Leader Certification Review From Brand: Springer Publishing Company

"The authors have done excellent work, reinforcing major skills and responsibilities of this advanced generalist role. This book will be most useful for students as they prepare for certification."

√ From the Foreword by **Linda Roussel**, DSN, RN, NEA-BC, CNL
Co-Author, *Initiating and Sustaining the Clinical Nurse Leader Role: A Practical Guide*

The first and only resource of its kind, this review guide to the CNL certification exam stems directly from Dr. King's classroom, where she proposes students to take the exam and has achieved a 100% pass rate.

The guide covers all aspects of the test, including basic test-taking skills, how to understand exam questions, multiple exam questions with answers and rationales, and content review of information derived from the AACN exam guide. The authors, who are noted CNL educators and practitioners, cover concepts of horizontal leadership, interdisciplinary communication and collaboration skills, and health care advocacy. They address care management, team coordination, illness/disease management, health promotion and disease prevention management, and advanced clinical assessment. The differences between health systems and the specific microsystems in which CNLs work are explored. The book also encompasses health care finance, economics, policy, informatics, ethics, and evidence-based practice as it is covered on the test. The material is presented in easily digestible sections that correspond to specific areas of the AACN exam guide. Multiple vignettes and unfolding case studies reinforce concepts. Also included is a sample test .

Key Features:

- The first and only comprehensive review guide to the CNL certification exam
- Presents guidelines on question dissection and analysis
- Reflects changes and additions to new topics in the exam
- Presented in easily digestible sections that correspond to AACN exam guide

The material is presented in easily digestible sections that correspond to specific areas of the AACN exam guide. Multiple vignettes and unfolding case studies reinforce concepts. Also included is a sample test and eBook for test-taking practice. Key Features:

The first and only comprehensive review guide to the CNL certification exam
Presents guidelines on question dissection and analysis
Reflects changes and additions to new topics in the exam
Presented in easily digestible sections that correspond to AACN exam guide
Includes eBook for test-taking practice "

About the Author

Cynthia R. King, PhD, NP, MSN, RN, CNL, FAAN,

is an owner and consultant of Special Care Consultants. She specializes in consulting in health care and nursing as well as writing and editing. Previously, Dr. King was a full professor and developed a clinical nurse leader program while at Queens University of Charlotte, North Carolina. She has presented numerous times at the American Association of Colleges of Nursing Clinical Nurse Leader (AACN CNL) conference on the template she developed for a CNL review course on how to best study for the CNL certification exam. Dr. King has worked as a clinician (staff nurse, clinical nurse specialist, nurse practitioner), educator, administrator, and researcher. She presents nationally and internationally and has been a keynote speaker at several major meetings. Dr. King has published extensively, including four books and numerous articles in peer-reviewed journals, and she has served as editor-in-chief of two nursing journals. She serves on numerous local, regional, and national committees and boards of nursing associations, nonprofits, and foundations.

Sally O'Toole Gerard, DNP, RN, CDE, CNL,

is an associate professor and track coordinator of the nurse leadership graduate program at Fairfield University, Fairfield, Connecticut. Dr. Gerard has been in nursing for over 25 years and has a background in critical care and hospital education. She specializes in diabetes as a certified diabetes educator. Her publications and research focus on diabetes and improvement of patient-related outcomes, and include five articles published in peer-reviewed journals. Dr. Gerard has been involved in a number of academic collaborations with local hospitals to introduce evidence-based practice and improve quality care in the acute care setting. She has completed training in a national partnership for health care improvement practices with the Dartmouth Institute for Health Policy and the American Association of Colleges of Nursing. Dr. Gerard presents nationally and internationally on the subjects of nursing leadership and improvement science.

Users Review
