About the Author

Randi Wissler- Mitchell graduated from the University of Iowa, where she majored in English and studied in the Writer's Workshop. She moved to California, where she became a professional freestyle skier at Lake Tahoe, while finishing a second Bachelor's Degree in French at California State, Sacramento. She moved to France where she completed a Master's in French Literature at the University of Grenoble, and then worked as a cocktail waitress in Monte Carlo. At the time, Randi was teaching English to French children in a "Lycée" on the Côte D'Azur. Randi traveled around Europe teaching English for years before a TEFL certificate was ever required. In 2009, she got her TEFL Certificate in Cusco, Peru, and taught English in Cusco for a year. She also received Certification for International Exam Preparation. Since returning to the US, she has completed a Master's Degree and Teaching Certificate in English and Structured English Immersion. She is now an Instructor at Texas Intensive English Program in Austin, Texas. Four years ago, her students asked her to make a chart of all the tenses on one page, because they were having so much trouble with English verb tenses. From that chart, she has developed an entire color-coded system for teaching English verb tenses. The students have raved about it, and asked her to publish a book. She has written a manual for students and teachers which is a good supplement to any ESL teaching program. Her book "English Tenses at A Glance" is a revolutionary way to teach and learn the English verb tenses.
