First and Only: A psychological thriller By Peter Flannery

WHAT PEOPLE ARE SAYING ABOUT FIRST AND ONLY I wasn't sure what to expect from the cover or the blurb but I couldn't put it down until I finished it --- LB A truly fantastic book, you simply won't want, nor be able to put it down until you have the answers --- Linda I found myself leaning further towards my laptop screen the further into the book I got --- Janieritson I didn't want to put it down, but at the same time, I really didn't want it to end --- Manchester Anne DESCRIPTION Do you believe in psychics? What if there really was someone who could see into the future, read people's thoughts and move things with their mind? What kind of person would they be and how would they reveal themselves to the world? Psimon is just such a man, a real and genuine psychic. But Psimon has a problem. In five days time he is going to die at the hands of a serial killer known only as Lucifer. His only hope is to enlist the services of former SAS soldier, Steve Brennus, a man whose family life and business have just collapsed in ruins. Psimon knows he is going to die. He has seen it. But could a former SAS soldier have the strength to overcome the visions of the world's first psychic? ~ With a small cast of engaging characters, blistering pace and a beautifully drawn villain, FIRST AND ONLY is a great thriller and an impressive debut novel. From the intensity of the first scene to the dramatic and satisfying climax the story pauses just enough for readers to catch their breath. Do not take this book to bed if you fancy an early night. You have been warned.
