### Her Dom's Lesson (Dominic Powers Book 2) By A.D. Justice

Sophia Vasco

Will he ever forgive me? This question haunts me every day and night. He branded me with his touch to the point that no other man will ever compare. Dominic consumed my life. Until the day he learned the truth about me and everything changed. Nothing is as it seems and it has all spiraled out of control. The weight of the world now rests on my shoulders. I have to fix this.

Dominic Powers

Some say that Karma is a bitch. I can say from experience that a betrayed Dom is much worse than a bastard ever thought about being. They think they played me. I denied the man inside me his rightful place and was mistaken for a fool. When I'm done with them, they will feel the lash of her Dom's lesson. This isn't over.
