Mastercam X9 Mill Essentials Professional Courseware From In-House Solutions

The Mastercam X9 Mill Essentials Professional Courseware is ideal for industrial training. Our exercise based approach to both the presentation and teaching of the material provides users with excellent opportunities to apply what they have learned. Users put the concepts they are taught to practice by creating parts based on a series of drawings, using 2D wireframe, solids, and toolpath creation with just a few guidelines. Supplement files and accompanying exercises are provided to reinforce the theory. The material provides outstanding coverage of contour, pocket, drilling, circle milling and slot milling toolpaths. More advanced exercises explain the use of Work Coordinate System (WCS), 2D High Speed toolpaths, Feature Based Machining (FBM) and more.
