Place Making: Developing Town Centers, Main Streets, and Urban Villages

By Charles C. Bohl

This ULI best-seller is the definitive guide to place making for town centers and walkable mixed-use development. The planning, design and development of town centers and urban villages with mixed uses in pedestrian-friendly settings is an essential, timeless foundation of communities that are livable, sustainable, enduring places. This book will help navigate through the unique design and development issues and reveal how to make all elements work together in contemporary development and revitalization of main streets, town centers and urban villages.

Editorial Review

Review

"Ever try to create a mixed-use development? Do not try it without first reading *Place Making: Developing Town Centers, Main Streets and Urban Villages* by Charles C. Bohl. This excellently researched book describes the state of the art of mixed-use, place-creating developments.

The case studies are particularly valuable...The book seamlessly serves a variety of audiences: developers, planners, designers, and general readers interested in urban places."
