Rumo ao ceticismo (Portuguese Edition) By Oswaldo Porchat Pereira

Os artigos que compõem esta coletânea foram publicados entre 1969 e 2005, e têm uma temática persistente: a da vida cotidiana e comum que a filosofia não pode nem deve trair se não quer converter-se em mero jogo de palavras. Para o autor, o pirronismo repensado e rearticulado conforme a linguagem e os problemas filosóficos da contemporaneidade, preserva, no entanto, total consonância com a inspiração original do pirronismo histórico e a mensagem da Sképsis grega continua plenamente atual, respondendo às necessidades filosóficas também de nosso tempo. São abordados: o conflito das filosofias, a filosofia e a visão comum do mundo, o ceticismo e o mundo exterior, o ceticismo e a argumentação, a verdade, o realismo e o ceticismo, o ceticismo pirrônico e os problemas filosóficos, a autocrítica da razão no mundo antigo, o empirismo e o ceticismo e o argumento da loucura.
