Jehovah's Witnesses, Help For Those Seeking Truth By Joseph Winters

An invaluable read for people who are feeling trapped and suppressed by one of the cleverest and subtlest organisations on earth today. Jehovah's Witnesses, without doubt, are of the foremost preachers of the Kingdom message, known throughout the world as zealous proclaimers of the Bible and its author Jehovah God. The truth though, ironically, is that real truth is kept from them and they are not informed of terrible irregularities within their organisation, and especially of a certain teaching revealed in chapter two of this book, which is devastating to their foundational belief of 1914. This work is different in that it does not condemn but is only interested in helping those held captive by a father-like figure they don't really know, one who hides his misdemeanour's from his children, with great stealth and cunning. Any Witness of Jehovah who reads this work will be shocked and sickened at what they discover. If you're still a Witness after reading this, the very best of luck to you. Please also read his new screenplay The Trial of Jesus and be prepared for something very different indeed.
