Measuring and Analyzing Informal Learning in the Digital Age By Olutoyin Mejiuni

In the twenty-first century, learning and the definition of education is changing. New digital, online, and social tools have the ability to transform the classroom and engage learners like never before. In the midst of this technological revolution, it is crucial for educators and administrators to be able to gauge the impact of digital tools on learners in a variety of settings.

Measuring and Analyzing Informal Learning in the Digital Age addresses the need for educators, administrators, and professionals across industries to be more attentive to the learning process outside of a traditional classroom setting. As online learning, and MOOCs in particular, become more mainstream, tracking informal learning becomes difficult despite the necessity of feedback and measurement in non-formal learning environments. Investigating some of the primary technologies being used in educational settings and how a less structured and more open learning environment can effectively motivate students and non-traditional learners, this premier reference is a crucial source of information for educators, administrators, theorists, and other professionals in the field of education.

Editorial Review

About the Author

Olutoyin Mejiuni is an adult educator whose work focuses on the political dimensions of adult education, informal learning, womens learning, and the concerns of women in teaching-learning interactions and contexts; exploring questions of identity; and the transformative and emancipatory potentials of educational interactions in these areas. She possesses a PhD in Adult Education and is an Associate Professor in the Department of Adult Education and Lifelong Learning, Obafemi Awolowo University, Ile-Ife, Nigeria. She has authored *Women and Power: Education, Religion, and Identity* (2012, Ibadan: University Press Plc; 2013, Dakar: CODESRIA). She has contributed to the *International Encyclopedia of Adult Education, Widening Access to Education as Social Justice, Handbook of Transformative Learning: Theory, Research, and Practice*, and she has published in *JENDA: A Journal of Culture and African Women Studies*. She was the editor of *Adult Education in Nigeria* and has been a consulting editor for *Adult Education Quarterly*. Olutoyin Mejiuni is a co-founder of Women Against Rape, Sexual Harassment, and Sexual Exploitation (WARSHE), a non-governmental and not-for-profit organization that supports and educates survivors and potential victims of sexual violence and abuse. Under the aegis of WARSHE, she co-authored the research report entitled *Unsafe Spaces: Dodgy Friends and Families* (2012, with Oluyemisi Obilade).

Patricia Cranton is a retired Professor of Adult Education, currently affiliated with the University of New Brunswick in Canada and Teachers College at Columbia University. She has been Professor of Adult Education at Penn State University at Harrisburg, Pennsylvania, in the U.S., St. Francis Xavier University, University of New Brunswick, and Brock University in Canada, and Associate Professor at McGill University. Some of Patricia Crantons recent books include *Planning Instruction for Adult Learners* (3rd edition, 2012), *Becoming an Authentic Teacher* (2001), *Finding our Way: A Guide for Adult Educators* (2003), *Understanding and Promoting Transformative Learning* (2nd edition, 2006), *A Guide to Research for Educators and Trainers of Adults* (3rd edition, 2014, with Sharan Merriam), and *Stories of Transformative Learning* (2014, with Michael Kroth). Patricia was the co-editor of *The Handbook of Transformative Learning* (2012, with Ed Taylor).

Users Review

From reader reviews:

Alison McGowan:

This book untitled *Measuring and Analyzing Informal Learning in the Digital Age* to be one of several books that best seller in this year, that's because when you read this book you can get a lot of benefit into it. You will easily to buy this particular book in the book retailer or you can order it by way of online. The publisher in this book sells the e-book too. It makes you easier to read this book, since you can read this book in your Mobile phone. So there is no reason to your account to past this book from your list.

James Stumbaugh:

Do you really one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Make an effort to pick one book that you never know the inside because don't determine book by its include

may doesn't work at this point is difficult job because you are afraid that the inside maybe not as fantastic as in the outside seem likes. Maybe you answer could be Measuring and Analyzing Informal Learning in the Digital Age why because the fantastic cover that make you consider with regards to the content will not disappoint anyone. The inside or content is usually fantastic as the outside or perhaps cover. Your reading sixth sense will directly make suggestions to pick up this book.

Jack Michaud:

This Measuring and Analyzing Informal Learning in the Digital Age is great reserve for you because the content that is certainly full of information for you who also always deal with world and have to make decision every minute. That book reveal it information accurately using great organize word or we can say no rambling sentences included. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having Measuring and Analyzing Informal Learning in the Digital Age in your hand like obtaining the world in your arm, info in it is not ridiculous just one. We can say that no publication that offer you world throughout ten or fifteen moment right but this publication already do that. So , this is certainly good reading book. Hi Mr. and Mrs. busy do you still doubt that?

Victoria Manson:

What is your hobby? Have you heard which question when you got pupils? We believe that that problem was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. So you know that little person similar to reading or as studying become their hobby. You must know that reading is very important as well as book as to be the point. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You see good news or update concerning something by book. Different categories of books that can you decide to try be your object. One of them are these claims Measuring and Analyzing Informal Learning in the Digital Age.
