## Reconstructive Plastic Surgical Nursing: Clinical Management and Wound Care By Jill E. Storch, Jan Rice

*Reconstructive Plastic Surgical Nursing* is a practical manual for all nurses involved in plastic surgical care. Plastic or reconstructive surgery serves to restore form and function following trauma (accidents, injuries and burns), congenital defects, or illness (cancer and neoplasms, pressure sores, and degenerative illness).

Nursing these patients requires specialist training in complex clinical management and specialist wound care. This book is a unique definitive and comprehensive text for nurses providing a practical, highly illustrated guide to plastic surgical care.

- Definitive, comprehensive text on plastic surgical care
- A unique, practical handbook
- Provides evidence-based guidelines for all aspects of patient care
- Explores reconstructive plastic surgical care from head to toe
- Illustrated in full colour throughout
