Titans By Leila Meacham

Texas in the early 1900s, its inhabitants still traveling by horseback and barely familiar with the telephone, was on the cusp of an oil boom that, unbeknownst to its residents, would spark a period of dramatic changes and economic growth. In the midst of this transformative time in Southern history, two unforgettable characters emerge and find their fates irrevocably intertwined: Samantha Gordon, the privileged heiress to the sprawling Las Tres Lomas cattle ranch near Fort Worth, and Nathan Holloway, a sweet-natured and charming farm boy from far north Texas. As changes sweep the rustic countryside, Samantha and Nathan's connection drives this narrative compulsively forward as they love, lose, and betray. In this grand yet intimate novel, Meacham once again delivers a heartfelt, big-canvas story full of surprising twists and deep emotional resonance.
