A Brief History of Everything By Ken Wilber

A Brief History of Everything presents Ken Wilber's accessible and entertaining account of men and women's place in a universe of sex, soul, and spirit. He examines the course of evolution as the unfolding manifestation of Spirit, from matter of life to mind, including the higher stages of spiritual development where Spirit becomes conscious of itself. Wilber offers striking and original views on many topics of continuing interest and controversy: gender wars, multiculturalism, ecology and environmental ethics among them.

Editorial Review

Amazon.com Review

This account of men and women's place in a universe of sex and gender, self and society, spirit and soul is written in question-and-answer format, making it both readable and accessible. Wilber offers a series of original views on many topics of current controversy, including the gender wars, multiculturalism, modern liberation movements, and the conflict between various approaches to spirituality.

Review

Combining spiritual sensitivity with enormous intellectual understanding and a style of elegance and clarity, *A Brief History of Everything* is a clarion call for seeing the world as a whole, much at odds with the depressing reductionism of trendy Foucault-derivative academic philosophy.— Keith Thompson, *San Francisco Sunday Examiner and Chronicle Book Review* . April 28, 1986

About the Author

Ken Wilber is the author of over twenty books. He is the founder of Integral Institute, a think-tank for studying integral theory and practice, with outreach through local and online communities such as Integral Naked, Integral Education Network, Integral Training, and Integral Spiritual Center.

Users Review

From reader reviews:

Mary Larrick:

Typically the book A Brief History of Everything will bring one to the new experience of reading a new book. The author style to describe the idea is very unique. When you try to find new book you just read, this book very appropriate to you. The book A Brief History of Everything is much recommended to you to see. You can also get the e-book through the official web site, so you can quicker to read the book.

Edna Vachon:

A lot of people always spent their particular free time to vacation or maybe go to the outside with them household or their friend. Did you know? Many a lot of people spent they will free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity that's look different you can read some sort of book. It is really fun in your case. If you enjoy the book which you read you can spent the entire day to reading a publication. The book A Brief History of Everything it doesn't matter what good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. Should you did not have enough space bringing this book you can buy often the e-book. You can more simply to read this book from the smart phone. The price is not too expensive but this book possesses high quality.

Harvey Lee:

Your reading sixth sense will not betray anyone, why because this A Brief History of Everything guide written by well-known writer who knows well how to make book which might be understand by anyone who have read the book. Written in good manner for you, dripping every ideas and publishing skill only for eliminate your personal hunger then you still doubt A Brief History of Everything as good book not simply by the cover but also with the content. This is one book that can break don't ascertain book by its cover, so do you still needing another sixth sense to pick this specific!?! Oh come on your looking at sixth sense already told you so why you have to listening to an additional sixth sense.

Jack Murray:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this A Brief History of Everything can make you experience more interested to read.
