Convicted (Book #3 of the Consequences) By Aleatha Romig

Book #3 of the bestselling Consequences series:

From New York Times and USA Today bestselling author Aleatha Romig comes the shocking third book of the Consequences series and the long-awaited, action-packed conclusion of Claire and Tony's tumultuous relationship.

Stick to your convictions.

Against all odds, Claire and Tony have found their way back to one another, but it doesn't mean a happy ever after. Not even close. Just when they seemed to have it all--love, respect, and the promise of a family--the game master exposes the truth and Claire's world once again unravels. With old convictions wavering and past transgressions coming to light, the cards have changed and luck is not in the deck for Claire and Tony.

Abandon all assumptions.

Lost in a constant nightmare, who will save Claire from her past? From herself? Everyone has a hand to play, and now they're playing for keeps. Everything known to be true is questioned. Motives are explained. The past is once again unearthed, and this time, secrets lurk between dreams and reality, between the past and the present.

The clock is ticking.

Time is running out on Claire...on Tony...on their happy ever after. When the final cards are played, will their unconventional love trump the opposition?

In the end, some will discover their bets were too high, and all will learn the most crucial lesson--there are always consequences for the truth.

You must stick to your conviction, but be ready to abandon your assumptions. - Denis Waitley

Review

"For me this series evolves, it grows and the characters grow, we find out things again are NEVER what we think. We learn that feelings we had in each book shift and change to different characters as we learn more and more. This series is on my **Top 5 MUST READ** for a reason! This book was just a contradiction of emotions. With that said though I still loved it and highly recommend it!!" - Schmexy Girl Book Blog

"The very first chapter of *Convicted* will start you on a rollercoaster ride that will leave you gasping, ohhh-no-ing and wondering what the f*** is going on!! This series truly has carved it's own niche in the book world. It straddles several genres -- but mainly romance and psychological thriller. You want *different*? You want *dark*? You want a complex, multi-layered story that will keep you guessing right up until the very end? Then, read this series!!" - Aestas Book Blog

"My heart was also broken by the loss felt in the book. Tony and Claire's relationship is so unique. There were moments I wanted to hug them and knock them upside the head. You'll be frustrated, relieved, enlightened, clueless, heartbroken, healed, and that's just in one paragraph. Imagine the rest of the book. The good news is you don't have to imagine, you can pick the book up and read it today. You should one-click and start reading immediately!" - Naughty and Nice Book Blog

"The Consequences Trilogy by Aleatha Romig is one of the best series out there! *Convicted* is the third book in this beloved series, and I loved every freaking minute of it. I loved the ups and downs, the highs and lows. There was nothing I didn't like. Perfection! Yes, that's gotta be it. This book and this entire trilogy was pure perfection. If you do anything this year, if you read one thing in your life, it better be this!" - Shayna Renee's Spicy Reads
