Formal Theory in Sociology: Opportunity or Pitfall? (SUNY Series on the New In (Suny Series, the Margins of Literature) From Brand: State University of New York Press

A group of renowned sociological theorists analyze why the attempts to make sociological theory formal in the 1960s and early 1970s failed. This becomes not only an unusual and interesting analysis in the sociology of knowledge, but several of the articles move to the level of analyzing the entire discipline, explaining why positivism did not take hold and what are the distinctive characteristics of sociology as a discipline. Anyone interested in sociology as a discipline and more specifically sociological theory will find interesting analytical models.

Editorial Review

Review

This volume exhibits the best current writing by some of the best scholars in sociology, including most all of the best formal theorists. Kenneth D. Bailey, University of California, Los Angeles

Every sociologist should read this book, not only to understand the crisis in theory that is being talked about today but, more importantly, as a challenge for their own research. Given the stature of the authors included in the book and the articulation of the major debates, this volume represents the best overview of where theory in sociology is today. While many of the authors have expressed their views in their own books and articles, I know of nowhere else where these ideas are collected in one source. Helen Rose Ebaugh, University of Houston"

"This volume exhibits the best current writing by some of the best scholars in sociology, including most all of the best formal theorists." -- Kenneth D. Bailey, University of California, Los Angeles

"Every sociologist should read this book, not only to understand the 'crisis in theory' that is being talked about today but, more importantly, as a challenge for their own research. Given the stature of the authors included in the book and the articulation of the major debates, this volume represents the best overview of where theory in sociology is today. While many of the authors have expressed their views in their own books and articles, I know of nowhere else where these ideas are collected in one source." -- Helen Rose Ebaugh, University of Houston

About the Author

Jerald Hage is at the Center for Innovation in the Department of Sociology at the University of Maryland at College Park.

Users Review

From reader reviews:

Joyce Murphy:

This Formal Theory in Sociology: Opportunity or Pitfall? (SUNY Series on the New In (Suny Series, the Margins of Literature) is great reserve for you because the content that is certainly full of information for you who also always deal with world and still have to make decision every minute. This book reveal it information accurately using great organize word or we can say no rambling sentences in it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but challenging core information with wonderful delivering sentences. Having Formal Theory in Sociology: Opportunity or Pitfall? (SUNY Series on the New In (Suny Series, the Margins of Literature) in your hand like finding the world in your arm, info in it is not ridiculous a single. We can say that no publication that offer you world within ten or fifteen small right but this publication already do that. So , this really is good reading book. Heya Mr. and Mrs. active do you still doubt in which?

Ryan Parker:

Reading a book for being new life style in this 12 months; every people loves to learn a book. When you examine a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. In order to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, this kind of us novel, comics, and also soon. The Formal Theory in Sociology: Opportunity or Pitfall? (SUNY Series on the New In (Suny Series, the Margins of Literature) provide you with a new experience in reading a book.

Lauren Zavala:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book was rare? Why so many question for the book? But just about any people feel that they enjoy to get reading. Some people likes reading through, not only science book but in addition novel and Formal Theory in Sociology: Opportunity or Pitfall? (SUNY Series on the New In (Suny Series, the Margins of Literature) as well as others sources were given understanding for you. After you know how the great a book, you feel want to read more and more. Science reserve was created for teacher or perhaps students especially. Those books are helping them to add their knowledge. In some other case, beside science guide, any other book likes Formal Theory in Sociology: Opportunity or Pitfall? (SUNY Series on the New In (Suny Series, the Margins of Literature) to make your spare time considerably more colorful. Many types of book like this.

Marge Lee:
