How Numbers Control Your Life and Give Your Life Purpose By Jack Tafoya

NUMBERS ARE THE KEYS TO UNIVERSAL KNOWLEDGE."The 'secrets of your mind' are hidden in your birth numbers - your genetic code, and the 'mysteries of the cosmos' are the cosmic forces - identified by numbers, working together in cyclic numerical patterns that trigger 'cause and effect' behavioral events in your life. Ignorance of these patterns is bad luck resulting in accidents, illnesses, problems. Knowledge of these patterns is good luck, slowing the aging process, lessening the need for practitioners. Example: The mysterious number 13; is it really bad luck? From whence does it come, what does it cause and how do we deal with it? The number 13 is not a mystery, although ignorance of it does bring bad luck. Make the mysterious number 13 work 'for' you, not 'against' you, and beat the system with this new knowledge of numbers. The Da Vinci Code is fictional! The words Sangreal, or Sang real are meant to confuse us. I have broken the code of the "Grail" and it is not a 'cup,' 'chalice,' 'plate' etc, but a symbol of these emanating from the pain (ail) of the Mother (G), the same G (force) in 'G'od, the womb. This vital information has always been encoded, but camouflaged in the language, as in all the other hidden "secret mysteries" information. The Da Vinci Code is fictional, but it will act as a 'trigger mechanism' to bring forth the hidden truth about our 'life force' from the feminine principle - Mary the Mother - I have spoken of for the last thirty years, buried in lies by the Vatican, and 'they' will seek me out for answers or to silence me. I can be silenced like Pythagoras, Socrates; even Galileo, but my 'words,' my 'food for thought' will somehow live on.

Editorial Review

About the Author

IF THERE IS A CODE OF LIFE, JACK TAFOYA HAS BROKEN IT. Eric Blum; Editor Times Crescent, Maryland. "JACK TAFOYA IS A MEDIATOR FOR HUMANITY WITH A MESSAGE FOR THE MASSES." John Goldsmith; Eyewitness News, Washington D.C. - two of many major newspaper articles about Jack's work. "Jack Tafoya has found answers we all need badly." D. Smith, California. "Jack Tafoya is extraordinary in all ways, a man of vision; one who has tapped into an incredible source of truth and inspiration. He has been given a rare and precious gift, one of insight and understanding far beyond that of most people, an ability to 'see the unseen' and peer into the inscrutable unknown. His work is highly important, material that has been forbidden to the general public and held as tightly guarded secrets for centuries. Watch for more from this 'seer' of truth and wisdom. R. Moore - Scientist, Engr., Colorado. Jack Tafoya formed a non-profit organization called Jazz Adventures Inc. in New York City in the 1970s where he eventually had his own TV show featuring top artists i.e. Gil Evans, Donald Byrd, Mongo Santamaria, Bill Evans, Art Blakey and the Jazz Messengers, Chet Baker; live radio shows, a jazz record production company, and produced and hosted many major jazz concerts. Mike Wallace of 60 Minutes on a show called The American Week said; "Jazz is making a comeback in New York City, and the man responsible is Jack Tafoya. Tafoya singlehandedly sponsored a revival of jazz in New York." Jack's metamorphosis from dedicated jazz promotor to dedicated messenger of the metaphysical phenomenon of NUMBERS began in 1979 coinciding with an out-of-body experience at his father's funeral. His life has since been dedicated to finding truths hidden (coded) in "secret mysteries" for centuries by secret societies.

Users Review

From reader reviews:

Georgia Hernandez:

The book How Numbers Control Your Life and Give Your Life Purpose gives you the sense of being enjoy for your spare time. You can utilize to make your capable considerably more increase. Book can being your best friend when you getting strain or having big problem with your subject.
