Perverse Taiwan (Routledge Research on Gender in Asia Series) From Routledge

Host of the first gay pride in the Sinophone world, Taiwan is well-known for its mushrooming of liberal attitudes towards non-normative genders and sexualities after the lifting of Martial Law in 1987. *Perverse Taiwan* is the first collection of its kind to contextualize that development from an interdisciplinary perspective, focusing on its genealogical roots, sociological manifestations, and cultural representations.

This book enriches and reorients our understanding of postcolonial queer East Asia. Challenging a heteronormative understanding of Taiwan's past and present, it provides fresh critical analyses of a range of topics from queer criminality and literature in the 1950s and 1960s to the growing popularity of cross-dressing performance and *tongzhi* (gay and lesbian) cinema on the cusp of a new millennium. Together, the contributions provide a detailed account of the rise and transformations of queer cultures in post-World War II Taiwan.

By instigating new dialogues across disciplinary divides, this book will have broad appeal to students and scholars of Asian studies and queer studies, especially those interested in history, anthropology, literature, film, media, and performance.

Editorial Review

Review

"An illuminating and provocative read. *Perverse Taiwan* is the first collection of essays to trace the development of unruly? sexual bodies, communities, and cultural imaginings in Taiwan from the immediate postwar era to the present. A welcome addition to the burgeoning field of queer Asian studies, the volume is especially impressive for its combination of geographical focus, historiographical depth, interdisciplinary breadth, and theoretical vision. Drawing on fields as diverse as the history of science, literary studies, sociology, medical anthropology, performance studies, and cinema studies, the volume compellingly establishes Taiwan as a fascinating transit point in East Asia where multiple modernizing regimes intersect and produce ever-shifting meanings of normality and ?transgression." *Tze-lan D. Sang*

"Examining the multiple genealogies of queer cultural politics in Taiwan and teasing out how transnational sexual modernities intersect on this island as it has been subjected to the forces of imperial China, colonial Japan, Cold War US, the neoliberal Asia Pacific, and the transcolonial Sinophone world, *Perverse Taiwan* offers fresh critical angles to look at the emergence of queer Taiwan in transnational cultural circuits. A must read for anyone interested in gender politics, global queer studies, East Asian history and culture, Sinophone studies, and Taiwan studies." *Kuei-fen Chiu*

About the Author

Howard Chiang is Assistant Professor in the Department of History at the University of Waterloo, Canada.

Yin Wang is Assistant Professor in the Department of Foreign Languages and Literature at the National Cheng Kung University, Taiwan.

Users Review

From reader reviews:

Ellen Jorge:

Nowadays reading books become more and more than want or need but also work as a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book in which improve your knowledge and information. The info you get based on what kind of reserve you read, if you want drive more knowledge just go with schooling books but if you want experience happy read one together with theme for entertaining including comic or novel. The Perverse Taiwan (Routledge Research on Gender in Asia Series) is kind of publication which is giving the reader unstable experience.

Patricia Henderson:

Do you have something that suits you such as book? The publication lovers usually prefer to choose book like comic, limited story and the biggest an example may be novel. Now, why not attempting Perverse Taiwan (Routledge Research on Gender in Asia Series) that give your entertainment preference will be satisfied by reading this book. Reading routine all over the world can be said as the opportunity for people to know world better then how they react toward the world. It can't be mentioned constantly that reading routine only for the geeky particular person but for all of you who wants to end up being success person. So , for all you who want to start looking at as your good habit, you could pick Perverse Taiwan (Routledge Research on Gender in Asia Series) become your current starter.

Joseph Kidwell:

Don't be worry should you be afraid that this book will certainly filled the space in your house, you could have it in e-book way, more simple and reachable. This Perverse Taiwan (Routledge Research on Gender in Asia Series) can give you a lot of pals because by you taking a look at this one book you have matter that they don't and make anyone more like an interesting person. That book can be one of a step for you to get success. This e-book offer you information that possibly your friend doesn't learn, by knowing more than other make you to be great men and women. So , why hesitate? Let me have Perverse Taiwan (Routledge Research on Gender in Asia Series).

Faye Springer:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Perverse Taiwan (Routledge Research on Gender in Asia Series) can make you sense more interested to read.
