Salamis By Christian Cameron

Arimnestos of Plataea has already lived through several lifetimes' worth of adventure, from being a rich man's slave in Ephesus to winning glory at the battle of Marathon against the might of the Persian Empire. But the gods - and the Persians - aren't finished with him yet. As an experienced sea captain - his enemies might say pirate - he has a part to play in the final epic confrontation of the Long War between the Greeks and Persians, the Battle of Salamis. It is a battle where many debts of blood will be repaid, ancient grudges settled, fame won and treachery exposed, where the Greeks must finally bury their differences and fight as one - for against them Xerxes, the Great King, has assembled the greatest fleet the world has ever known, his sworn purpose to brutally extinguish the flame of freedom and make every Greek his slave.

Editorial Review

Review

A sweeping, deeply moving epic that takes the reader into the heart of a different time and culture?**HISTORICAL NOVELS REVIEW**

[A] great page-turner?**ANCIENT WARFARE**

The minutiae of military logistics, the mediations in inter-tribe rivalries, and the casual contemporary scene-setting prove unexpectedly engrossing ... a sword-slash above the rest of its ilk?**IRISH EXAMINER**

The battles ... are described with enormous verve and power. The ruthless intrigue and politicking that dominate his court are also brilliantly evoked. And, as fate and his own insatiable desire for conquest and glory drive Alexander towards death in Babylon at the age of 32, a genuine sense of an extraordinary personality emerges?**SUNDAY TIMES on God of War**

Cameron's ability to conjure up what Homer called "the battle haze" might make the ancient bard proud?**GLOBE AND MAIL**

About the Author

Christian Cameron is a writer and military historian. He is a veteran of the United States Navy, where he served as both an aviator and an intelligence officer. He lives in Toronto where he is currently writing and working on a Masters in Classics.

Users Review

From reader reviews:

Deborah Hagan:

What do you concerning book? It is not important to you? Or just adding material when you require something to explain what the one you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have time? What did you do? Everybody has many questions above. They have to answer that question mainly because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on pre-school until university need this specific Salamis to read.

Bette Morgan:

As people who live in the actual modest era should be revise about what going on or data even knowledge to make these keep up with the era which can be always change and move forward. Some of you maybe will probably update themselves by examining books. It is a good choice for you personally but the problems coming to you is you don't know which you should start with. This Salamis is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

Catherine Hudson:

Many people spending their time frame by playing outside with friends, fun activity together with family or just watching TV all day every day. You can have new activity to shell out your whole day by reading a book. Ugh, do you think reading a book can really hard because you have to accept the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Cell phone. Like Salamis which is obtaining the e-book version. So , why not try out this book? Let's view.

Michelle Shaw:

Is it anyone who having spare time then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something new? This Salamis can be the response, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
