Ten Reasons: Decem Rationes (Illustrated) By Edmund Campion S. J.

This edition is a faithful reproduction of the 1914 Manresa Press edition with one exception; the English translation which had been in the back, has been moved to the front - the original Latin with footnotes, have been moved to the rear.

"Decem Rationes" or "Ten Reasons" is a theses by the Douay martyr Edmund Campion, written in 1581. It was purposed to explain to the British Privy Council why he, (as a priest, forbidden to live in England) had returned. The title, "Ten Reasons" could be extended to read ...Why all the Reformers are Wrong.

From the "Translator's Preface":

"Compared with his opponents, Luther for example, Edmund Campion is mere milk and honey. His book made a great stir: it is what a successful book must be, instinct with the spirit of the age in which and for which it was written.

The Protestant answer to the Ten Reasons was not given in the Divinity School at Oxford. It was the rack in the Tower, and the gibbet at Tyburn; and that answer was returned ere the year was out."

A classic work in Apologetics, and should be a part of every Catholic's (or theologian's) library.
