Editorial Review

From the Author

"**This is a journal I wanted,**" said the creator behind *Everything Journals' The 100 Script Challenge Journal*, Ann Kimbrough. "I'm a screenwriter, too, and it's great to use the journal. I pull it out whenever I read a new, produced script. The notes I've added to my journal are turning out to be invaluable! And it's just my notes about how **Aaron Sorkin, Tony Gilroy, Nancy Meyers, Alan Ball** or any another amazing screenwriter did something in one of their scripts. It's a great reference that I keep next to my computer. It's easy to pull out and read a few pages for inspiration or on how to work a new scene or part of a script. I find myself referring to it quite often when I'm writing."

Not being able to find a journal like *The 100 Script Challenge Journal*, Kimbrough created exactly what she wanted and brought it to Everything Journals. We couldn't be more happy with the result. It's a **MUST HAVE** tool for any aspiring screenwriter!
