The Survivor's Quest: Recovery After Encountering Evil By HealingJourney

Sometimes, evil does not translate into violence or murder. Sometimes, evil can be difficult to detect. It can be masked by charm and flattery, and it is often perpetuated by pathological lying, projection, and various other mind games. No matter how hidden it may be, evil always devastates—and isolates—any normal person who is touched by it. *The Survivor's Quest* is written by HealingJourney, the former target of a psychopathic predator. He presented himself to her as a “nice guy,” but he turned out to be the precise opposite. As a result of the encounter and its sudden end, HealingJourney found herself overwhelmed by despair. But she soon realized that she was not alone in her new understanding of humanity, and she was able to find her way out of the darkness. Throughout the book, she shares the struggles and triumphs she experienced during her recovery. She also offers validation, encouragement, and practical strategies for her fellow survivors. If you have been hurt by someone with a personality disorder and are looking for recovery support, this book is for you.
