Chess Fundamentals, Revised By Jose R. Capablanca

J.R. Capablanca was a World Chess Champion and one of the greatest players in chess history, yet he wrote very little about the game. *Chess Fundamentals*, though normally for the beginning player, contains valuable insights that will benefit players at all levels of understanding, including masters. Capablanca explains:

- How to obtain and nurture a passed pawn
- How to get and keep the initiative
- Cardinal rules for rook and pawn endings
- How to attack using knight as the main force
- How to cut off enemy pieces

Chess Fundamentals is one of the jewels of chess literature.
