Hunt: A Shifters/Wildcats Short Story By Rachel Vincent

It's been more than four years since Abby survived capture and torture by a quartet of rogue shifters. Back then she was a scared kid, just trying to survive.

Now Abby is all grown up, and if she's learned anything from training with Faythe Sanders, the world's first female Alpha, it's that she can take care of herself—and anyone else who comes along. So when her college roommate is abducted from a campsite deep in the Appalachian woods, Abby knows exactly how to get her back...

The rules of the hunt are simple. Kill or be killed. Abby Wade is not ready to die.
