Neale Donald Walsch's Little Book of Life: A User's Manual By Neale Donald Walsch

In 1999, Neale Donald Walsch wrote three little books, each focusing on different areas of life: *Neale Donald Walsch on Relationships*, *Neale Donald Walsch on Holistic Living*, and *Neale Donald Walsch on Abundance and Right Livelihood*.

Now, 10 years later, Walsch has revised these three books and combined them into one volume. In this little book, Walsch provides his readers with the basic principles for satisfying personal relationships, an inspirational approach to the real meaning of money and prosperity and how they apply to the secret of happiness, and the basics of integrated living--how to live with joy and harmony.

This book presents the core teachings found in the *Conversations with God* series. Warm and inspirational, Walsch's words provide hope and help for readers living in a particularly challenging time.
