You only miss the shots you don't take.

My stepbrother, Bryan, was like a rock star. Chiseled, mysterious, and completely unattainable, all the girls on campus fawned over him.

He would never be interested in a curvy girl like me. But then why was he peeking at me during my most intimate moments at night?

Jenny, my best friend, encouraged me to seduce him. She thought it would be a hilarious prank. If only she knew how I really felt about him. I could never reveal my darkest secret to her, and especially not to Bryan.

Then again, maybe some things in life are worth taking risks.

**Seducing My Stepbrother is a standalone book. It contains graphic content and language and is only appropriate for adult readers.**
